Arizona Center for the Blind  
and Visually Impaired

***ACBVI and Terros Health Team up to Host Health Equity Event for Local Community***

**WHAT:** Health screenings and vaccines will be offered free of charge thanks to funding from the Blue Cross Blue Shield of Arizona Foundation. Terros Health and Arizona Center for the Blind and Visually Impaired (ACBVI) are teaming up to provide attendees with a range of resources including wound care, HIV testing, and wellness visits. Participants will also be provided free Kona Ice snow cones at the event.

**WHO:** Dr. Vanna Campion, Board Certified Family Medicine Doctor, and Chief Medical officer for Terros Health; ACBVI

**WHEN:** Tuesday, October 4th, 2022; 8-11am

**WHERE:** ACBVI, 3100 E. Roosevelt St, Phoenix, AZ 85008

**WHY:** To provide participants in historically underserved communities access to quality healthcare. These clinics are about treating the whole person, and are tailored to those who don't have access to care regardless of income, insurance, or status. ACBVI and Terros Health are also committed to fully serving those living with a disability.

**HOW:** For interviews or additional information please contact Steve Tepper, [stepper@scbvi.org](mailto:stepper@scbvi.org), 480-486-4788

\*An interpreter will be available for Spanish-speaking individuals

**About ACBVI**

Arizona Center for the Blind and Visually Impaired has been empowering people with vision loss since 1947. ACBVI assists clients in coping with vision loss - with courage and dignity and a "Can Do" attitude. ACBVI is proud to provide the resources our clients need to achieve independence and full participation in the spheres of life they choose. For more information, visit <https://www.acbvi.org/>
